INSPIRING LEADER-FACILITATOR

A Facilitating Leadership Masterclass

TAO OF CO-CREATION - A FACILITATING LEADERSHIP MASTERCLASS

Co-Creating:: Leadership:: Coaching:: Enabling:: Team-building

Inspiring Leader-Facilitator offers the latest learning technologies made available in a Mastery delivery to CEOs, business leaders, senior managers and Learning professionals.

Our Facilitating Leadership Masterclasses offer learning experience meant to provide depth, sustainability and scalability to corporate leadership.

The joy of learning and inspiring...

Following the path of Peter Senge (The Fifth Discipline) and Gay and Kathlyn Hendricks's Living University, all of whom trained our Learning Director and Chief facilitator, you will become part of a unique, profound co-creating experience, with a potential to a long lasting impact for yourself, your co-workers and your organization.

WHAT IS THE TAO OF CO-CREATION

"Tao of Co-Creation" can be described as a holistic program for Leaders who wish to co harness leadership by facilitating the emergence of latent skills within their team to optimize individual contribution and accelerate performance.

But, this is more than a program. It is a profound co-creating experience that keeps evolving. It is about giving birth to a new world in which the facilitator can learn from the participants while inspiring learning. It is about understanding Tools, techniques... the science of being a leader facilitator and then going beyond technique into the creative and sacred art of facilitation. It is both practical and transformational.

What Is The Content

- 'Being' of a Leader-Facilitator: Corporate Mystic, Self Mastery, Creativity, Values & Vision Empowering Mindsets

WHY PARTICIPATE

The Inspiring Leader-Facilitator has attracted many CEOs, senior facilitators, HR heads and also many young professionals passionate about learning and inspiring transformation. These people themselves impact the lives of thousands of people.

Through this fascinating leadership journey participants will:

- Learn how to develop leaders and build teams.
- Learn how to 'bring forth' solutions from the people they are working with,
- Discover how to make programs a lively and enthusiastic experience.
- Be able to diagnose needs and design high impact learning experiences.
- Understand why, ordinarily, the effect of training dies down and how to keep it growing
- Learn practical magic for energizing participation and commitment in groups
